### DIGITAL ACCREDITATION

For this event we opted for a total digitization of the accreditation procedures on site.

Therefore, the personalized **RECOGNITION BADGE** with bar code, will not be distributed from the Secretariat on site, but will be sent by email once the online registration has been closed.

**The BADGE must be printed, taken to the venue and showed at the entrance of the exhibition area for registering the access to the event. You must also use it to access to the plenary room where the scientific sessions take place.**

**It is mandatory** to wear the personal badge during all the event, to read the barcode as presence proof on site and to show it to the control staff for access to all scientific sessions and to the following services:

- Scientific sessions
- Translation headphones
- Social Dinner (for those who have made the purchase)

In order to detect your presence, the Secretariat Staff will support you with the scanning of the badge barcode in the reading stations.

Inside the Exhibition Area you will find the desk for the collection of the congress kit. Inside of it, you will find the badge holder where you can insert the printed A4 sheet folded into 4 parts.
